

Thank You to Our 2015 General Donors!

We value you for your care and concern for the most vulnerable members of our community. Your donations have helped victims of domestic abuse, children who were abused or abandoned, and persons who would be persecuted if returned to their own countries. Thank you for helping JFON-NE welcome our newest neighbors to our community!

2015 Food Truck World Tour Event Donors

This fundraiser was a smash hit with our solid supporters and new guests as well! Food trucks, cupcakes and fun delighted everyone at the Patron Party at the Slowdown music venue. Then the stage cleared and the After Party began with Satchel Grande—Omaha's good time, funk and party band. **Thank you** to all the individual and company sponsors who made the event possible!

The 2015 Patron Party featured Judge Florian Bellanger and Jake and Justin Blecha, who were featured on the nine seasons of the Food Network's "CupCake Wars." Bellanger critiqued cupcakes baked by the culinary students of Iowa Western Community College and Metropolitan Community College. The band Satchel Grande, an Omaha favorite, was the band for the After Party.
