

ANNETTE & PAUL SMITH HONORARY EVENT CHAIRS

July 18, 2017

Dear friend,

We are big fans of Justice For Our Neighbors–NE! We were introduced to the important work of this nonprofit immigration law firm by a good friend several years ago and were very impressed by the professionalism of their attorneys and legal team, and the education and advocacy work they do in our community. We have supported JFON-NE since that first encounter.

Today JFON is a leader and go-to resource in our region's immigration profession. They focus on victims of domestic violence; abused or abandoned children and those who would be persecuted if returned to their home country. In 2016, JFON's legal team worked on more than 2,700 cases for people from 47 countries, upholding its mission to welcome immigrants to our community by providing free, high-quality immigration legal services, education and advocacy. JFON's clients are low-income and the services it provides are free. These services are essential and make it possible for their clients to fully contribute to and enrich our community, both culturally and economically.

We are proud to serve as Honorary Event Chairs for JFON's *enVision 2017: Food Truck World Tour* on September 14th. We ask you to join us in support of JFON-NE's important work. Please consider attending and/or providing a sponsorship or donation. Included is information regarding event details and sponsorship levels and benefits.

We look forward to seeing you at *enVision 2017: Food Truck World Tour* and would appreciate your consideration of a generous gift.

Thank you,

Annette & Paul Smith
